# LION ARTS FACTORY

**SITUATED IN THE HEART OF THE ADELAIDE CBD, LION ARTS FACTORY IS A UNIQUE VENUE, UNLIKE ANY OTHER IN THE CITY.**

Lion Arts Factory is a multipurpose space located in the heart of Adelaide's CBD on North Terrace.

A versatile, heritage-listed building with a contemporary fit-out, Lion Arts Factory has become one of Adelaide's most loved venues.

While Lion Arts Factory holds music events throughout the week, our unique and flexible space allows us the opportunity to host a wide range of functions.

From weddings and networking events to charity functions and cocktail dinners, we have thrown them all and are excited to work with you to make your vision come to life.

The venue encompasses two large indoor spaces, a mezzanine, a beer garden, an adjoining courtyard space and intimate downstairs rooms that are usually reserved for touring bands.

Venue hire gives you access to all spaces, so you can make your event cosy and intimate or large and varied- incorporating all pockets of the venue.

Being a live music venue, we have state-of-the-art A/V, two stages, a massive LED screen, DJ equipment and innovative lighting that are all-inclusive of venue hire.

Both the main room and front room are equipped with fully stocked bars and a highly skilled team of enthusiastic event managers, bar operators and staff with years of experience in events, festivals and bookings. Additionally, there is a private bar downstairs for functions utilising these spaces.
